Vikranth Kumar VM

6360653277 vikranthkumarvm@gmail.com vikranth-kumar-vm-006b08392 vikranthkumarvm-byte

Skills

Programming: Java, Python
Core: OOPS, DSA

Experiences

Fresher

- Currently developing skills in software development, programming, and data science.

Achievements

- Built foundational knowledge of **Java** and **Python**.
- Developed understanding of **OOPS** and **DSA**.

Education

B.E. Data Science (CSE), AIT **2025–2029**
Chickmanglore, Karnataka, India CGPA: 5.0

PUC, RP College **2024**
Kadur, Karnataka, India CGPA: 69%

SSLC, DVM **2022**
Kadur, Karnataka, India CGPA: 72%

Projects

Smart Road Safety and Vehicle Accident Prevention System for Mountain Roads

- Designed a smart safety system focused on reducing vehicle accident risks on mountain roads.
- Proposed sensor-based monitoring to identify potential road and vehicle safety hazards.
- Developed an approach for providing timely warnings to improve road safety.
